

Meet Thirsty, Your One-Stop Beverage System Platform

A Whole New World of Refreshment Is Here

We understand your day is busy. The last thing you need is the hassle and headache of a beverage machine issue. That's why we've developed Thirsty - a new equipment installation and mechanical service platform specifically designed to facilitate a better, more efficient and collaborative service experience for you.

Just like any Coca-Cola beverage, it's intended to deliver more happiness with every interaction. Tell me more!

It Contains the Right Ingredients

- **TODAY**
Experience the benefits of modern technology with service that's easier and more intuitive
- **FUTURE**
Get access to your very own customer portal with self-serve capabilities for quick resolution

You Know What You're Getting

- **TODAY**
Forget the '20 questions' when you call for service since we've got your outlet information archived in the system
- **FUTURE**
Enjoy increased visibility into your equipment servicing with past transactions and recent requests a click away

Add Your Own Flavor

- TODAY**
Choose to receive either a text or email (you pick!) for updates on a technician or work order
 - FUTURE**
Communicate with your technician using two-way texting or a chat feature to stay informed on arrival and service
-

To Make the Taste Just Right...

- TODAY**
Count on one of our 6,000+ certified technicians to help troubleshoot issues over the phone
- FUTURE**
Video chat live one-on-one with a technician who can deliver answers and get you up and running in no time

.....

Always Feel Refreshed

24 / 7 / 365

Thirsty makes it easier than ever to do your job and keep outlet equipment flowing with the beverages consumers crave.

But should you have any questions, our trusted team of experts is available for you whenever and however you need us. Because no one should have to enjoy Coca-Cola alone.

.....

This is just the beginning.
