

Meet Thirsty, Your One-Stop Beverage System Platform

Service Technology Your Business Can Depend On

There's a lot that goes into running a successful business venture. Worrying about equipment being down should be the least of your concerns. With our new Thirsty equipment installation and mechanical service platform, it's now easier than ever to resolve machine issues - should an issue occur.

Thirsty is specifically designed to facilitate a better service experience, meaning your employees will love using it and your customers will love never being without the Coca-Cola beverages they enjoy. Drink up!

Thirsty is More Modern

- **TODAY**
Experience the benefits of state-of-the-art technology with service that's easier and more intuitive
- **FUTURE**
Get access to a customer portal that offers you and your employees self-serve capabilities

Thirsty Is More Efficient

- **TODAY**
Save your employees time and hassle when they call for service since the new platform stores your account information

 - **FUTURE**
Employees can use two-way texting or chat features to stay informed of technician arrival and service
-

Thirsty Is More Convenient

- **TODAY**
Count on one of our 6,000+ certified technicians to help your employees troubleshoot equipment issues over the phone
- **FUTURE**
Employees can video chat live one-on-one with a technician to help get machines up and running in no time

.....

A Whole New World of Refreshment Is Here

24 / 7 / 365

Thirsty now makes it easier to deliver happiness with every interaction.

But should you have any questions, we're available 24/7, 365 days a year for whenever you or your team needs us. Because no one should have to enjoy Coca-Cola alone.

.....

This is just the beginning.
